Result

For Theme (1):

From July 18 to 20th, visitations to Seoul National University of Education and Kongju National University were held, and discussions concerning the international symposium and international cooperative research were also held.

On July 12, a website dedicated to definitive registration for the symposium went on-line (<http://www.u-gakugei.ac.jp/~icuesymp/registration/index.html>). Moreover, matters for investigation until the end of July for the three research groups were created.

For Theme (2):

Within the Office of Promoting International Strategies, in correlation to 1. Research and 2. Education, a productive discussion was held about outlooks on the future.

Plans for August & September

Create a poster for the international symposium & public participants/official request for guest speakers and keynote speakers/send research group's matters for investigation on international cooperative research to participant researchers/September 14 definitive registration deadline/Visit North East Normal University
