Theme of the Month	
(1) Prepare for the workshop “Comparative Study on Current Conditions and Perspectives of Program Design and Quality Assurance System for University-Based Teacher Education in East Asia” .	<p>Specific Mission of Action</p> <p>Send WG participant researchers the workshop’ s event guidelines.</p> <p>Visit the operating committee university of the International Consortium for Universities of Education in East Asia and invite people to participate in the workshop.</p>
(2) Analyze this year’ s project progress and other themes.	<p>Specific Mission of Action</p> <p>Research the proceedings of international cooperation operations.</p>
Details	
<p>For Theme (1):</p> <p>[Matter of Discussion for the International Consortium for Universities of Education in East Asia Operation Project Team]</p> <p>We visited East China Normal University, Shanghai Normal University, and Beijing Normal University and discussed this year’ s international collaborative research projects. We also invited people to participate in the workshop which will be held on February 14, 2012.</p> <p>We also visited Seoul National University of Education and explained our international cooperation research and invited people to participate in the workshop.</p> <p>For Theme (2):</p> <p>Requested the instructional improvement project operations committee’ s project report, which supports the development of children in Mongolia.</p>	
Result	
<p>For Theme (1):</p> <p>We sent the workshop’ s event guidelines to WG participant researchers. We created the Japanese version of the “Summary Table of the Teacher Education System of Universities in East Asia” (draft), which is this year’ s research project, and sent it to participating researchers.</p> <p>There are 3 people who wish to participate in the WG international collaborative research from Beijing Normal University. After receiving a proposal from those in China, a Chinese version of the summary table will be created by dividing the work among three universities (Beijing Normal University, East China Normal University, Northeast Normal University).</p>	

We received significant interest in international cooperation research at Seoul National University of Education, and received word from the chancellor that they will carry out the selection of researchers.

For Theme (2):

At the Office of Promoting International Strategies, a progress report concerning the Mongolia Project was submitted and an active discussion regarded international cooperation operations was held.

**Plans for December**

Visit Kongju National University and invite people to participate in the workshop. / Prepare for the December 13 deadline for the 2012 Student Exchange Support Program.
